This is the opportunity for visitors and guests to address the City Council on any issue. The City Council may not debate any non-agenda issue, nor may any action be taken on any non-agenda issue at this time, however, City Council may present any factual response to items brought up by citizens.

Ryan Slaughter spoke to council on item 6A. He was in support of placing the alcoholic beverage ordinance on the ballot for the citizens to decide. Mr. Slaughter also felt the council should take immediate action to approve an ordinance to cover the next 72 days to stop the sale of alcohol near any school immediately. Andre Larkins stated that he had addressed a letter to Mr. Zech the City Attorney over 16 days before the signatures were validated by the City Secretary. This gave him plenty of time to make sure everything was legal. The City Attorney did address the issue and did state he received a letter but until his client the City Council directed him to take action and until he knew the petition had been validated by the City Secretary he could not spend tax payers money for research without direction.
